Accommodation

The old town of Bern is a UNESCO world heritage site as are the Bernese Alps (Swiss Alps Jungfrau-Aletsch). Hence, many tourists visit Bern throughout the year and especially in summer. So, hotel rooms can get quite expensive during peak season. - **Hotel City am Bahnhof***
  Bubenbergplatz 7, 3011 Bern (1.7 km to the venue)
  [https://fassbindhotels.ch/hotel/city-am-bahnhof-bern/](https://fassbindhotels.ch/hotel/city-am-bahnhof-bern/)
  Standard single room: 140 CHF (1st night), 110 CHF (2nd night)
  per night incl. breakfast, incl. Bern Ticket (see transport for details), excl. visitor’s tax;
  Booking via email city@fhotels.ch with the booking code: “Environmental Social Sciences” until 30 June 2020.
  Free cancellation before 26 July 2020.

**Hotel Savoy****
Neuengasse 26, 3011 Bern (2.0 km to the venue)
Standard double room (for single use): 205 CHF

Other good and relatively inexpensive hotels without special arrangements for the workshop include:

- **Prizeotel Bern-City***
  Viktoriastrasse 21, 3013 Bern (3.7 km to the venue)

  [https://www.prizeotel.com/de/hotel-bern/](https://www.prizeotel.com/de/hotel-bern/)

- **Kreuz Bern Modern City Hotel***
  Zeughausgasse 41, 3000 Bern (2.1 km to the venue)

  [https://kreuzbern.ch/](https://kreuzbern.ch/)

- **Hotel Bären am Bundesplatz****
  Schaufplatzgasse 4, 3011 Bern (2.1 km to the venue)
  In the middle of the city center
  [https://baerenbern.ch/de/](https://baerenbern.ch/de/)

**Transport**

Switzerland has a very decent public transport system. Bern has excellent national and international train connections ([https://www.sbb.ch/en/home.html](https://www.sbb.ch/en/home.html)). The railway station is located in the city centre. The local public transport system of Bern is also very comfortable ([BernMobil](https://www.sbb.ch/en/home.html)) (only German) or [www.sbb.ch](https://www.sbb.ch) (also in English)). Bus line 20 brings you to the venue (Fabrikstrasse 6, 3012 Bern; stop “Länggasse”). In all hotels in the city of Bern the room rate includes the Bern Ticket, with which visitors can use the local public transport system of the city of Bern for free (zones 100 and 101).

In Bern you can also rent public bicycles and e-bikes at many locations throughout the city for single rides ([https://www.publibike.ch/en/publibike/](https://www.publibike.ch/en/publibike/)).

Participants who have to take the airplane preferably choose to fly to Zurich Airport, because the train connection to Bern is excellent (direct connection with about 1-hour travel time). Other nearby airports are Basel and Geneva.
Venue

The venue of the workshop is the Campus vonRoll of the University of Bern, Fabrikstrasse 6, 3012 Bern, room 001 (Bus 20, stop “Länggasse”). The campus is located at the west end of the “University District” Länggasse (see map below). Building number 6 is the one next to the big building nr. 8 (see below).
For your orientation at the Hochschulzentrum vonRoll, please also consult the building plans.
